

Are you travelling during your holidays?

Pacific Prime is a leading insurance broker with over 19 years of experience and 9 offices across the globe. In addition to managing health insurance, we also offer travel insurance from different insurers which can be easily purchased online. Depending on the duration of your trip, premiums are charged on a daily basis and **can be as low as USD 1.01 per day!**

The Top Three Insurance Companies for Travel

- **Bupa Global Travel** is our first suggestion. Bupa has been known for its excellent customer service standards. This is one of the best travel insurance plans on the market in regards to benefits and coverage.
- **VUMI Travel VIP** offers comprehensive hospitalization, outpatient and repatriation benefits with high limits and no deductible. They also provide outstanding customer service which is on par with the top insurers on the travel medical insurance market.
- **IMG GlobeHopper** features competitive prices and basic travel coverage. This option allows you to choose your level of coverage, area of coverage and level of deductible.
